### 7th Annual Drummer Reunion

The 7th Annual Drummer Reunion at Bolsa Chica Beach was so successful, the local authorities felt it was a disruption and asked that the "circle up" be stopped. There were too many people from the beach that would stop to listen and it was clogging up the bike path! Before it was shut down, we were entertained with about 45 minutes of cadences. If you've never been to one of these reunions, you are missing the fun, comradre, and entertainment that is presented for free!! (except the price of beach parking, which went up last week)

To see a few pictures of the drummers this year, [click here](#) .
